## From Principal's Desk

Welcome to our glorious institution Bangabasi Evening College, 19, Rajkumar Chakraborty Sarani, Kolkata - 700009, re-accredited by National Assessment and Accreditation Council (NAAC) in 2016 as B+. This college was established in 1965 under the purview of affiliation to the University of Calcutta as a twig of historic Bangabasi College. Late Acharya Girish Chandra Bose, the eminent educationist and great Social Reformer, was the founder of Bangabasi College. He established the institutions - 'Bangabasi School' (1885 AD.) and 'Bangabasi

Dr. Sanjib Chattopadhyay, Principal

College' (1887 AD.), with the sole objective of promoting the cause of education in Bengal during the nineteenth century Renaissance in India. After the independence of India in 1947 A.D. there was an influx of young talents from the then East Bengal (now Bangladesh) and elsewhere. In order to accommodate them as well as to ease the tremendous pressure of admission to the College three new shifts like Morning, Evening and Commerce had to be opened. Prof. Prasanta Kumar Bose, son of Acharya Girish Chandra Bose was the founder Principal of Bangabasi Evening College. Now it offers Honours degree in Bengali, English, Hindi, Sanskrit, History, Political Science, Philosophy, Chemistry, Mathematics, Anthropology, Economics, Physiology, Botany and Accountancy. Other subjects include Geography, Physics and Zoology. Bangabasi Evening College has introduced Post Graduate Department of Mathematics from 2015-2016 session, as regular course in M.Sc under University of Calcutta.

There are many opportunities for students to work with our faculty to improve their quality of learning. Our permanent and guest faculty members are amply efficient and also affectionate in solving the problems of the students. Many teachers are engaged in active research funded by UGC and DST research projects in specialized areas. During its journey of 53 years, Bangabasi Evening College has encouraged the vision of distinction through continuous improvement of the teaching - learning process helped by research and all other academic pursuits. The college is proud of its students who emerge as achievers in diverse spheres in spite of limitations. The relationship between teachers and students is one of our greatest strengths. The teachers are totally dedicated to the interest of students motivating them to do their best in their chosen fields.

With generous help and encouragement of the Governing Body, administrative and financial assistance from the Department of Higher Education, Government of West Bengal and constant cooperation from all the stakeholders, Bangabasi Evening College has been playing a major role in contributing to the cause of weaker and poorer sections in the country, producing empowered and enlightened individuals. Students should always visit college web page [www.bangabasievening.edu.in](http://www.bangabasievening.edu.in) for notice, routine, admission, form fill up and other information related to exam schedule and library. They are asked to submit their feedback in the tab feedback mechanism by using username and password they are also asked to participate in "Student's profile mapping" by user name and, password.

## PREFACE :-

The historical institution, Bangabasi College emerged from Bangabasi School, founded by Acharya Girish Chandra Bose in 1885 in a rented house at Bowbazar Street with just 6 teachers and 12 students. The College shifted to its present building in the year 1903. The College derived its name from the then patriotic newspaper, 'Bangabasi'. The College is located in the vicinity of Sealdah Station in Central Kolkata giving easy access to students coming from rural, semi-urban and urban areas. Bangabasi Evening section was founded by Sri Prasanta Kumar Bose, the noted educationist of Bengal and the illustrious son of Acharya Girish Chandra Bose in 1940 for the needy working students. In 1944 he introduced the Arts and Science faculties in the Evening section. Through the introduction of the 'Phase Reduction Scheme' of the University Grants Commission the separate existence of Bangabasi Evening College was officially recognized on 11 April, 1965 under a separate Governing Body. It is located at the heart of the megacity Kolkata. It is surrounded by 4 major roads of Kolkata namely Acharyya Prafulla Chandra Road at the East side, Raja Rammohan Sarani at the West, Mahatma Gandhi Road at the North and at the South side Bipin Bihari Ganguly Street is located. Bangabasi Evening College is a renowned educational institution with rich cultural tradition in its background. The College spreads its academic umbrella in various new directions to accommodate, nurture and stimulate the mediocre as well as bright students of the cross section of the society. To give a systematic account of the various achievements of the College, it is appropriate to consider how it has grown in terms of teaching, research, infrastructure and administrative improvements. The College has reached its high level of excellence due to the dedicated team work of the teaching, administrative, assisting staff members, also getting support and encouragement from the Governing Body and above all administrative and financial support from the Government of West Bengal. To commemorate the glorious past, the committee resolved that a valuable volume would be published highlighting every aspect and achievement of the institution. Bangabasi Evening College was originally an integral part of Bangabasi College, which was founded by the great educationist and philanthropist Acharya Girish Chandra Bose. By leaving aside the lucrative job he took upon himself the tough job of educating his poor, illiterate countrymen. In this noble cause his mentors were none but Ishwar Chandra Vidyasagar, Bhupal Chandra Bose (father-in-law of Sri Aurobinda), Lord Satyendra Prasad Sinha and others. The aim of the college was two-fold—to cater to the growing demand for higher education and to nurture the spirit of nationalism in the minds of young learners. The evening section was actually opened in 1940 to accommodate the working students both male and female. The influx of students compelled the government to open the evening sections of the big colleges into autonomous colleges. Thus Bangabasi Evening College came into being in 1965 as a full-fledged evening college. However, the original ideals continue to be the guiding lights of this college. Bangabasi Evening College offers educational opportunities to students from all over West Bengal (and even further afield, particularly to first generation learners and those below the poverty line) in Commerce, Science and Arts Subjects. The particular focus continued to be on employed students. Bangabasi Evening College celebrated its Golden Jubilee in the session 2014-2015. The Jubilee celebrations were inaugurated by a walk or a 'padayatra' by students and staff to the University of Calcutta (and back) where the then Vice-Chancellor Dr. Suranjan Das attended the programmes, held in honour of the occasion. Eminent guests who attended the subsequent programmes include Dr. Ashish Banerjee, Minister of State, School Education and Higher Education Dept.; Dr. Suranjan Das, C.U.; Dr. Swagato Sen, the then Dean, Commerce Faculty, C.U.; Dr. Siddhartha Majumder, the then Chairman West Bengal College Service Commission; Dr. A.R. Sankhyayan, Internationally renowned Palaeo-Anthropologist and now Senior Fellow of Anthropological Society of India and others. The Closing ceremony was enriched by the gracious presence of Sri Sudip Bandyopadhyay, Honorable MP of the area, Smt Nayana Bandyopadhyay, Honorable MLA of the locality, Professor Sugata Marjit, the then Vice Chancellor, C.U.; Dr. Swagato Sen, Pro Vice Chancellor, Academic, C.U., Sri Subiresh Bhattacharyya, Chairman School Service Commission, Sri Ashoke Deb, MLA, President of the College and Sm. Aparajita Dasgupta, Borough Chairman.

There are a number of publications commemorating the Golden Jubilee. These are:

- (1) The Golden Jubilee Commemoration volume. (Edited by Dr. Debasri Das and Principal)
- (2) Bangabasi Evening College Subarna Jayanti Smaranika (Edited by Dr. Debasri Das)
- (3) Synthesis. (Edited by an editorial Board)

Other publications include Annual Literary Journal. The main contributors are the students although teaching and non-teaching staff contributed too. The articles feature both academic and creative writing. Since 2007 the college had published an academic journal named 'Nascent'. Dr. S. P. Mukherjee and Dr. Ritwick Dasgupta were the editors of the journal which contained articles and essays on science, commerce and arts contributed by the teachers. The Board of advisors included the editors and Dr. Ratan Kumar Banerjee, the then Principal of this college. The objective of the journal was to revive the mental, physical, social and spiritual dimensions. Nascent paved the way for a new research journal, 'Synthesis'. A multi disciplinary Research Journal which came into existence in 2014-15 academic year. The members of the Editorial Board were Dr. Uttam Kumar Bhattacharya, Associate IDSK Professor, Institute of Development Studies, Kolkata, Prof. Prosenjit Mukherjee, Assistant Professor, Bangabasi Evening College, Kolkata, Dr. Suparna Banerjee, Assistant Professor, Bangabasi Evening College, Kolkata. The mission of the research journals published by the College is primarily to encourage the spirit of enquiry in its teachers and students. Further it offers opportunities to those who already have research interests for publishing and disseminating their work. It is also hoped that this will establish an academic communication with other institutions and within the college, a lateral interest in various subjects which can lead to interdisciplinary collaborations. After the closing ceremony several Seminar Lectures, Quizzes, and invited Lectures were organized, among which Professor Gunner Stange of Gothe University, Frankfurt, Germany delivered his enlightened speech on a topic of Anthropology that made the audience spellbound. "NASCENT, A multidisciplinary Book" (Edited by Prof. Prosenjit Mukherjee and Dr. Suparna Banerjee) has been published in this year 2017.
