Preface

Welcome to our glorious institution Bangabasi Evening College (NAAC re-accredited as B+), which is located at 19, Rajkumar Chakraborty Sarani, Kolkata - 700009. The historical institution, Bangabasi College emerged from Bangabasi School, founded by Acharya Girish Chandra Bose in 1885 in a rented house at Bowbazar Street with just 6 teachers and 12 students. The College shifted to its present building in the year 1903. The College derived its name from the then patriotic newspaper, 'Bangabasi'. The College is located in the vicinity of Sealdah Station in Central Kolkata giving easy access to students coming from rural, semi-urban and urban areas. Bangabasi Evening College was originally an integral part of Bangabasi College, which was founded by the great educationist and philanthropist Acharya Girish Chandra Bose. By leaving aside the lucrative job he took upon himself the tough job of educating his poor, illiterate countrymen. In this noble cause his mentors were none but Ishwar Chandra Vidyasagar, Bhupal Chandra Bose (father-in-law of Sri Aurobinda), Lord Satyendra Prasad Sinha and others. The aim of the college was two-fold—to cater to the growing demand for higher education and to nurture the spirit of nationalism in the minds of young learners. The evening section was actually opened in 1940 to accommodate the working students both male and female. The influx of students compelled the government to open the evening sections of the big colleges into autonomous colleges. Thus Bangabasi Evening College came into being in 1965 as a full-fledged evening college. However, the original ideals continue to be the guiding lights of this college. Bangabasi Evening College offers educational opportunities to students from all over West Bengal (and even further afield, particularly to first generation learners and those below the poverty line) in Commerce, Science and Arts Subjects. The particular focus continued to be on employed students. Hence, the College Starts from 4.30 pm and runs up to 9.00pm.

Dr Sanjib Chattopadhyay, Principal

'Bangabasi College' (1887 AD.), with the sole objective of promoting the cause of education in Bengal during the nineteenth century Renaissance in India. After the independence of India in 1947 A.D. there was an influx of young talents from the then East Bengal (now Bangladesh) and elsewhere. In order to accommodate them as well as to ease the tremendous pressure of admission to the College three new shifts like Morning, Evening and Commerce had to be opened. Bangabasi Evening section was founded by Sri Prasanta Kumar Bose, the noted educationist of Bengal and the illustrious son of Acharya Girish Chandra Bose in 1940 for the needy working students. In 1944 he introduced the Arts and Science faculties in the Evening section. Through the introduction of the 'Phase Reduction Scheme' of the University Grants Commission the separate existence of Bangabasi Evening College was officially recognized on 11 April, 1965 under a separate Governing Body. It is located at the heart of the megacity Kolkata. It is surrounded by 4 major roads of Kolkata, namely, Acharyya Prafulla Chandra Road at the East side, Raja Rammohan Sarani at the West, Mahatma Gandhi Road at the North and at the South side Bipin Bihari Ganguly Street is located. Bangabasi Evening College is a renowned educational institution with rich cultural tradition in its background. The College spreads its academic umbrella in various new directions to accommodate, nurture and stimulate the mediocre as well as bright students of the cross section of the society. To give a systematic account of the various achievements of the College. During its journey of 59 years, Bangabasi Evening College has encouraged the vision of distinction through continuous improvement of the teaching - learning process helped by research and all other academic pursuits. The college is proud of its students who emerge as achievers in diverse spheres in spite of limitations. The relationship between teachers and students is one of our greatest strengths. The teachers are totally dedicated to the interest of students motivating them to do their best in their chosen fields. With generous help and encouragement of the Governing Body, administrative and financial assistance from the Department of Higher Education, Government of West Bengal and constant cooperation from all the stakeholders, Bangabasi Evening College has been playing a major role in contributing to the cause of weaker and poorer sections in the country, producing empowered and enlightened individuals.

It is appropriate to consider how it has grown in terms of teaching, research, infrastructure and administrative improvements. The College has reached its high level of excellence due to the dedicated team work of the teaching, administrative, assisting staff members, also getting support and encouragement from the Governing Body and above all administrative and financial support from the Government of West Bengal. To commemorate the glorious past, the committee resolved that a valuable volume would be published highlighting every aspect and achievement of the institution. Prof. Prasanta Kumar Bose, the illustrious son of Acharya Girish Chandra Bose was the founder Principal of Bangabasi Evening College. Now it offers Honours degrees in Bengali, English, Hindi, Sanskrit, History, Political Science, Philosophy, Chemistry, Mathematics, Anthropology, Economics, Physiology, Botany and Accountancy. Other subjects include Geography, Physics and Zoology. Bangabasi Evening College has introduced Post Graduate Department of Mathematics from 2015-2016

regular course in M.Sc under University of Calcutta. Two BVoc courses sponsored by UGC opened in 2018 i.e., (1) Banking, financial services and insurance (2) Hospitality and tourism There are many opportunities for students to work with our faculty to improve their quality of learning. Our permanent and guest faculty members are amply efficient and also affectionate in solving the problems of the students. Many teachers are engaged in active research funded by UGC and DST research projects in specialized areas. PhD works are also performed here in the Botany and Mathematics Department. Some UGC and DST seminars have recently been organized in the Anthropology, Sanskrit, History, Botany and Mathematics department.

Bangabasi Evening College has celebrated its Golden Jubilee in the session 2014-2015. The Jubilee celebrations were inaugurated by a walk or a 'padayatra' by students and staff to the University of Calcutta (and back) where the then Vice-Chancellor Dr. Suranjan Das graced the programmes, held in honour of the occasion. Eminent guests who attended the subsequent programmes include Dr. Ashish Banerjee, Minister of State, School Education and Higher Education Dept.; Dr. Suranjan Das, C.U.; Dr. Swagato Sen, the then Dean, Commerce Faculty, C.U.; Dr. Siddhartha Majumder, the then Chairman West Bengal College Service Commission; Dr. A.R. Sankhyayan, Internationally renowned Palaeo-Anthropologist and now Senior Fellow of Anthropological Society of India and others. The Closing ceremony was enriched by the gracious presence of Sri Sudip Bandyopadhyay, Honorable MP of the area, Smt Nayana Bandyopadhyay, Honorable MLA of the locality, Professor Sugata Marjit, the then Vice Chancellor, C.U.; Dr. Swagato Sen, Pro Vice Chancellor, Academic, C.U., Sri Subiresh Bhattacharyya, Chairman School Service Commission, Sri Ashoke Deb, MLA, President of the College and Sm. Aparajita Dasgupta, Borough Chairman. We have obtained a grant of Rupees five lac from Sri Sudip Bandyopadhyay, Honorable MP and utilized the same in renovating Physiology and Geography departments. However, a heavy renovation work is pending for the protection of the new Annexe building, which may require a few months to strengthen the internal structure of this college. There are a number of publications commemorating the Golden Jubilee. These are:

- (1) The Golden Jubilee Commemoration volume. (Edited by Dr. Debasri Das and Principal)
- (2) Bangabasi Evening College Subarna Jayanti Smaranika (Edited by Dr. Debasri Das)
- (3) Synthesis. (Edited by an editorial Board)

Other publications include Annual Literary Journal. The main contributors are the students although teaching and non-teaching staff contributed too. The articles feature both academic and creative writing. Since 2007 the college has published an academic journal named 'Nascent'. Dr. S. P. Mukherjee and Dr. Ritwick Dasgupta were the editors of the journal which contained articles and essays on science, commerce and arts contributed by the teachers. The Board of advisors included the editors and Dr. Ratan Kumar Banerjee, the then Principal of this college. The objective of the journal was to revive the mental, physical, social and spiritual dimensions. Nascent paved the way for a new research journal, 'Synthesis'. A multi-disciplinary Research Journal which came into existence in the 2014-15 academic year. The members of the Editorial Board were Dr. Uttam Kumar Bhattacharya, Associate IDSK Professor, Institute of Development Studies, Kolkata, Prof. Prosenjit Mukherjee, Assistant Professor, Bangabasi Evening College, Kolkata, Dr. Suparna Banerjee, Assistant Professor, Bangabasi Evening College, Kolkata. The mission of the research journals published by the College is primarily to encourage the spirit of enquiry in its teachers and students. Further it offers opportunities to those who already have research interests for publishing and disseminating their work. It is also hoped that this will establish an academic communication with other institutions and within the college, a lateral interest in various subjects which can lead to interdisciplinary collaborations. After the closing ceremony several Seminar Lectures, Quizzes, and invited Lectures were organized, among which Professor Gunter Stange of Gothe University, Frankfurt, Germany delivered his enlightened speech on a topic of Anthropology that made the audience spellbound. "NASCENT, A multidisciplinary Book" (Edited by Prof. Prosenjit Mukherjee and Dr. Suparna Banerjee) has been published in the year 2017. In 2018-19 RUSA (Rastria Uchhatara Siksha Abhijan) has sanctioned a Grant of Rs 2 Crore for all round development of our college. Moreover, UGC through NSQF has sanctioned two new courses i.e., 1. Banking, financial services and insurance 2. Hospitality and tourism, which are another two new feathers in our cap. In the subsequent years the parade of grandeur of the college remained unremitting by the successful utilization of MP Grant,

acquisition of 2nd lot of RUSA fund from Central Government and State Government, attainment of NSQF fund of UGC to successfully run BVoc courses. Within the period 19 substantive teachers, 13 NTS and 20 SACTS have been recruited. The number of students increased several fold. Newly introduced Botany Hons, PGMATH and BVoc courses are running efficiently.

Undoubtedly it is true that the total system of education has been implemented after the declaration of the Lock-down phase to prevent COVID 19 in the year of 2020. During the lockdown phase regular classes were taken by the teacher through the college website. Several National and International Webinar lectures were organized by the college. There was a persistent notion or obsession that education is never possible without chalk and talk, though now we are traveling upon the ground of hard reality that uninterrupted classroom education of so many people in our country according to demand and supply would never be possible, especially in case of natural calamity prone areas or in contagious disease prevalent areas. We would have to

choose between Conventionalism and Activism, which one would be more suitable for us. Conventionalism means classroom education and activism means modern system of e-learning. Every idea has got its own limitations. We must conclude that no one is self-sufficient, one has to depend on others. The combination of both will make the education system more meaningful. The first Webinar Lecture was organized by the department of Vocational studies. Dr Debajyoti Chanda, Head, Department of Mass communication and videography, Rabindra Bharati University

and Dr Amartya Saha Head, Department of Journalism and Mass Communication delivered lectures. PG Math Department in collaboration with Gurudas College has organized a two days

international webinar from 22.6.20 to 23.6.20. Dr. Neil Hindman, Emeritus Professor of Mathematics, Harvard University, delivered a lecture on Topology and its interaction with other fields of Mathematics (on Stone-Čech compactification). Prof Atasi Debray, Dept of Pure Math, CU and Dr Supriya Mukherjee, HoD, Dept. of Mathematics, Gurudas college along with students and teachers of both the colleges were present in the webinar. Also, Prof. M. AKBARI TOOTKABONI, Professor, Department of Pure Mathematics, UNIVERSITY OF GUILAN, RASHT, IRAN, delivered a lecture on the same broad topic (on "ULTRAFILTERS ON σ -ALGEBRA"). Another International webinar was organized by B.Voc Department, on the topic "Banking Finance and Insurance- Post COVID Era" on 5.7.2020. Mr Sayan Chakravarty, Director, Head of Markets and Security Services City bank Bangladesh, Dr Ramkant Hoom, Chief Archivist, State Archives and Museum, State Bank of India Mr Diptendu Halder, Training Partner of SBI Life, Indian Oil Corporation, BPL, CESC, HPLC etc. and Mr Kumar Shankar Roy Chowdhury, Ex Area Manager Business Partner with TATA AIA Life Insurance delivered lecture. For BCom students a seminar was organized on 14.3.2022, in collaboration with The Institute of Company Secretaries of India Mr S Sreejesh, Deputy Director of the said institute addressed the students. One Day Workshop on "World No Tobacco Day", organized by Bangabasi Evening College in Collaboration with the Department of Community Medicine, NRS Medical College and NCD-II wings, Dept of Health & Family Welfare, Govt. of West Bengal on the 31 May 2022. Dr Sk Golam Mortuja of NRS Medical College delivered a lecture on abuses of Tobacco. Dr Amitava Dutta, Principal, Bangabasi Morning College was present on the occasion. Seminar about Google Course, 'Career Certification Scholarship Program' held on 19.4.22. This was very helpful for BCom and BVoc students. The college observed Certificate Distribution Ceremony of MSc Mathematics on 26th August, 2022 at Calcutta University Institute Hall: Prof. (Dr.) Sonali Chakravarti Banerjee, the then Hon'ble Vice Chancellor, C.U., Prof (Dr). Asish Chattopadhyay, the Hon'ble. Pro-Vice Chancellor (Academic), C.U., issuing M.Sc certificate to MSc Mathematics pass-outs.

Job Drive (Campus Interview) of Bangabasi Evening college students was held on 22.9.22. The companies like BENGAL JEWELLERY LLP, RONANZA PORTFOLIO LTD, Dynavision Technology Pvt Ltd. MAK Enterprise (House) India PVT LTD etc participated in the programme. TATA AIA life insurance attended the Job Fair Drive Program organized by the Department of Commerce and Vocational Studies of Bangabasi Evening College, Kolkata, on 22.09.2022, from 5PM to 8.30 pm at the College Premises: Some students were selected for job by them.

FACILITIES FOR THE STUDENTS :

❖ Sports and Games :

There are arrangements for indoor and outdoor sports and games- under the guidance of Sri Prokash Kumar Palit, Teacher-in-Charge of games and sports and an experienced Coach. The College has a playground of its own in the

Observation of Bicentennial of Michael Madhusudan Dutta's birth

Kolkata Maidan and a beautiful pavilion — the first pavilion in the Maidan for any college of Kolkata.

❖Gymnasium :

The college has a well-equipped Gymnasium for the students, where most modern fitness of health are kept. An instructor of Gymnasium helps the students in this regard.

❖ Common Room :

There are two Common Rooms — one for the boys and the other exclusively for the girls. There is an arrangement for various indoor games in the Common Rooms —

table tennis, carom and chess. This facilitates recreational activities. Recently a Billiard board and two cricket sets have been purchased from the RUSA fund.

❖ Extra-CurricularActivities :

The College encourages the following types of extra-curricular activities of students as a part of college education
Formation of habits in civic responsibility, the broadening of outlook and sympathies through varied associations and cultural development through participation in the intellectual and aesthetic life of the College and Society at large.

❖ **Students' Union:** It is composed of student-representatives from all classes — one member from the teaching faculty as President, teachers as sectional presidents. The College authority

encourages the development of a healthy corporate life in college. Apart from organizing various socio-cultural activities, the union plays a positive role in furthering the development programmes of the institution. Another essential event is the Students' Election for their representatives in the Students' Council. The Elections take place in a very congenial and healthy atmosphere. The College is adorned with extremely

meaningful posters, which vie with one another for the attention of the voters.

❖ Sky watch Club :

❖ Internet and WLAN :

Internet and WLAN facility is available in the college campus, so that the students have enough facilities to collect

*Library: The College has a rich source of books available in the college library. INFLIB net, NLIST & Delnet and other modern facilities are also available in the library. Students should consult the Librarian for Password of these. The books are digitized and the library provides digital identity cards for each student. Question bank and other modern facilities are available on the library website. Some departments have seminar libraries of their own.

❖ Modern Instrumentation: The college has a rich stock of modern instruments. This year it has obtained a Grant of about thirty lac from RUSA to purchase instruments. It has purchased several modern instruments including Double beam FT-IR Spectrometer, Spectrophotometer (UV - VIS), BOD Incubator, Microtome,

refrigerated Centrifuge, different types of microscope, Digital Polarimeter, Digital Conductometer, Digital pH-meter, Digital balance, Digital Potentiometer and several others.

❖ Alumni Association The association helps to bridge the gap between the glorious past and the present. It facilitates strengthening the bonds of fellow-feeling with the students of yester-years. This year the programme was inaugurated by Sri Ashok Deb MLA, President, GB

❖ College Auditorium

The College has a spacious auditorium where various functions organized by the students and the staff are held. The A.C. auditorium was originally named Prasanta Kumar Bose Memorial Hall on 22, December 1995. Seminars, Workshops, Cultural Programmes, Educational Symposia, Inter-College Competitions, and Social Debates are arranged here for the enlightenment not only of the students but also the general public. Now major repairing works are continuing from RUSA 2 fund by PWD since last year.

Educational Tour :

Plantation of Trees

Education tours are organized each year on a regular basis and a sizable number of students participate in this tour under the guidance of teachers. The tours have already been conducted in South India, Central India and North India. Science departments conduct field tour/Excursion/ Educational survey/ Project work/ Field study etc. on a regular basis. Students' Union educational tour was organized in Darjeeling and Kashmir, Nepal, Gujrat, Rajasthan, Karseong, Sundarban, Sikkim etc in the subsequent years. This year it has been organized in Kerala. Departmental Educational excursion for Botany, Anthropology, Zoology, Physiology and PG Math has been organized every year in Alipur Door, Purulia, Darjeeling, Sundarban and Digha.

❖ **Disciplinary Committee** Students have a disciplinary committee comprised of some students,

teachers and non-teaching Staff members to look after any repugnant situation related to the internal discipline within the college campus. Dr Prosenjit Mukherjee is the Appellate Officer of the Legal Cell

CCTV vigilance. CCTV is kept in the college campus for the protection of the students.

❖ **Precaution for COVID19:**

Corona has made a hard setback to mankind but if every human being accepts the lesson from the Corona catastrophe that it may act as a silver lining as well by teaching us a better survival strategy. Coronavirus (COVID19) is a special health issue in the year 2020, which is being skillfully managed by the college authority. The classes and other activities except office was suspended from 16th March 2020, and it was totally closed after the declaration of lockdown by the Prime Minister on 22th

March 2020. However, the college office resumed its official duties from the last week of May. The college building was occasionally sanitized. The Principal, Vice Principal, Bursar, Head Clerk, Cashier and other important staff were present in the college at least 2-3 days per week. The Governing body meeting took place in the college on 7.7.2020. The teachers have relentlessly performed their duties by taking classes through E-Sikshak2 and Zoom App from their houses and checking the answer-scripts and uploading their marks. Online teaching by supplementation of Notes and Suggestions by E-Sikshak1 was in vogue in this college from 2020.

Now it has become the Neo-Normal trend of this changing world. In the next year attendance of students may also be counted and evaluation of answer-scripts will be made through college portals, if necessary.

❖ **The College Website**

Students should always visit college web page www.bangabasievening.edu.in for notice, routine,

admission, form fill up and other information related to exam schedule and library. They are asked to submit their feedback in the tab feedback mechanism by using username and password; they are also asked to participate in "Student's profile mapping" by user name and password. They may also have 'University Notice' under the same web page to know the Announcement and Examination notices by the University.

❖ **Students' Credit Card :**

Bangabasi Evening college forwards students' application for credit card. This year a procession of students and teachers from the gate of Bangabasi Evening College towards MSME camp, i.e. Micro, Small & Medium Enterprises, Government of West Bengal inspired by the State Government to distribute Students Credit Card was organized. In this college it was observed on 7.8.23. Thus MSME week was celebrated. Total 28 students participated in the function at KMC Community Hall, 1, Nilmadhab Sen Lane, Kol 73 (near Md Ali Park. for Bhabisyat Credit Card, Student Credit Card and related bank loans, Aikyashree, Udyam REGISTRATION, Skill development training for youth, etc. Departmental staffs were

also present : MSME, DPMU, Minority Affairs, School Education Deptt., Banks. Online registration of all aspirants was done there in Govt portal. All aspirants carried their Aadhaar cards for registration.

❖ ONLINE COMPETITIVE EXAMINATION PORTAL :

The college provides an opportunity to the students for the preparation of competitive examinations. An online portal has been integrated with the college website for the students who aspire to score high marks in general competitive exams like SSC, LIC, Bank Exams, Rail, School Service Commission, TET, PSC etc. This site will be his/her practice ground. The system evaluates the students based on his/her score. Questions are collected from various competitive exams and presented as online tests here for the students' training. The students may access that portal from the college website or directly through www.e-exammantra.com/BEC .

❖ POST GRADUATE COURSE :

Bangabasi Evening College has opened PostGraduate Department of Mathematics from the 2015-2016 Session. We have enrolled 27 Postgraduate students for the first semester and have already registered them for the second semester after successful completion of the former. The College's mission is to provide students and faculty with an open environment that fosters professional and personal growth. The college's two full-time dedicated Faculty members, namely Dr. Banamali Roy (Coordinator), and Dr. Mahendra Rong, along with six eminent Visiting Professors in the Post Graduate Departmental environment makes a healthy mix of experience in teaching, research and practical experiences; all are devoted to teaching and professional development. The department is bestowed with faculty who are recognized nationally as well as internationally for their scholarly activities in their respective fields. There are many opportunities for students to work with our faculty for research activities. Our permanent and guest faculty are engaged in active research, to supervise doctoral dissertations; carry out funded research projects in specialized areas in the field of higher mathematics. One batch of students have passed M. Sc. final exam, few of them qualified NET & GATE exam. One UGC and another DST sponsored seminars have been organized recently.

❖ B-VOC COURSES :

In recent years two vocational courses have been introduced, i.e., 1. Banking, financial services and insurance, 2. Hospitality and tourism, under NSQF from the current academic session 2018-19 following UGC guideline. Dr Prosenjit Mukherjee is acting as Coordinator of this course and Dr Banamali Roy is the Nodal Officer of the same. The courses have already been affiliated by Calcutta University. Classes and on job training of the courses are running successfully.

❖ COLLEGE CANTEN.

A well maintained college canteen is located at the ground floor for the students who are available in the college hours. It has recently been renovated by the coinage of a new nomenclature 'Baithak and Khana'.

❖ ANTI-RAGGING, GRIEVANCE REDRESSAL AND GENDER SENSITIZATION CELL.

Harassment of any student, in any, form or within the College premises, will be treated under the category of "Ragging" and will invite disciplinary action under this section of the law. Attention is drawn to the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, displayed in the College Website. The anti-ragging cell is a forum where students can approach the college authority directly in relation to any ragging related complaints. The cell has the following members: Dr. Sanjib Chattopadhyay (Principal), Dr Prosenjit Mukherjee (GB Member), Dr. Satyajit Halder, Prof. Shnaoli Seal, Dr. Suparna Banerjee, Dr. Md. Sabdar

Marks=25 marks per credit.*Students who will not pursue Dissertation/ Research work then the candidate will have to study additional 1 DSC/Core paper of 4 credits in the 7th Semester & 2 DSC/Core Papers of 4 Credits each in the 8th Semester. Minor courses will come from two subjects of same broad discipline as Major (m1,m2). Total credit=169+3 (for summer internship)=172

Disciplines:

There will be two broad disciplines: i) Science and ii) Humanities & Languages as described in clause o. (8).

Types of subjects:

i) Major Courses:

All students shall have to take 22 DSCs of one subject. In addition, students who do not qualify or opt for "4-year degree course-by research, will have to take three additional courses with provision for project based evaluation (As mentioned in the syllabus of respective subject).

Although the course contents of all minor courses are identical with some major courses of that subject, the examinations for Major and Minor courses will be conducted separately.

A college shall offer Major Courses only in such subjects in respect of which it has affiliation for Single major courses.

ii) Minor Courses:

Course content to be the same, as Major Courses of a given standard.

A student will have to take 8 Minor Courses from the same broad discipline as the Major excluding the Major subject. Students have to study 4 Minor Courses in the first two years (1 in each semester) and 4 Minor courses in the 3rd year (2 in each semester).

Of the 4 courses in the first two years 2 courses have to be taken from one subject (m1) in the 1st and 2nd semesters and 2 courses from the other subject (m2) in the 3rd and 4th semesters. All these courses are intended to be at level 100.

The exact Minor courses are specified in the syllabus of respective subjects. For any minor subject the first two minor courses (irrespective of whether it is taught in 1st or 2nd year) will be identical with the first two courses of the corresponding major subject.

In the third year (semester-5 & 6) two minor subjects in each semester will have to be taken from two different subjects. These courses are of level 200.

A minor course opted for in the 5th semester will have to be selected from among the major courses offered in the 3rd semester level (level 200).

Similarly a minor course opted in the 6th semester will have to be selected from among the major courses offered in the 4th semester (level 200).

iii) Inter Disciplinary Course (IDC):

A student will have to opt for three IDCs (one in each of the first three semesters) from a pool of courses offered in the different disciplines. These courses must be different from the major and minor subjects.

iv) Skill Enhancement Course (SEC):

SEC courses are based upon skill enhancement. Student shall study 2 SECs based on Major subjects in 1st and 3rd semester. In the 2nd semester the student can study Artificial Intelligence (for Science discipline) or Digital Empowerment (for Humanities & Language discipline) or as specified in the syllabus of the concerned Major subject.

Course structure (Th, P, Tu) and credit distributions (4 TH + 0P/TU; 0 TH + 4P; 2 TH + 2 P/TU; 3 TH + 1 P/TU) may differ from subject to subject.

Note: There shall be no course containing only Tutorial.

v) Common Value Added Course (CVAC):

There shall be 4 CVAC courses of 2 credits each. In the 1st semester there shall be 1 compulsory CVAC in ENVS & one CVAC in Constitutional Values. In the 2nd semester there shall be 1 compulsory CVAC in ENVS & the students shall select the other CVAC from a pool of courses.

vi) Ability Enhancement Course (AEC):

All students shall have to study 4 AEC courses of 2 credits each (one in each of the first 4 semesters). There will be a compulsory AEC, named Compulsory English which shall be studied in the 1st and 2nd semesters and there will be an optional AEC (MIL/ Alt. Eng) to be studied in the 3rd & 4th semesters.
