Kanyashree Prakalpa (K-2): Kanyashree's core objectives are simple and focussed: it aims to ensure that girls stay in school and delay their marriages till at least age 18. Kanyashree's approach is also simple: it uses a social safety net mechanism that has shown a high degree of success in transforming the lives of children and adolescents in several countries in the world: Conditional Cash Transfers. The scheme has two cash transfer components:

- The first is an Annual incentive of Rs. 1000/- to be paid annually to the girls in the age group 13 to 18 years (studying in Class VIII equivalent or above for every year that they remained in education, provided they are unmarried at the time.
- The second is a One-Time Grant of Rs. 25,000/-, to be paid after a girl turns 18, provided that she was engaged in an academic or occupational pursuit and was unmarried.
